The Messenger

Fairfield Glade Community Church

Dear Friends in Christ,

This year, Easter will be celebrated on April 21st. We will remember the Resurrection by singing praise to God with joyful shouts of Hallelujah, wearing bright colored clothing, enjoying the abundance of flowers, seeing cute images of bunny rabbits, and eating delicious chocolate eggs.

But wait a minute, we are not there yet, we are just beginning the month of March. To get the full picture and meaning of the Easter Resurrection, we need to first journey through Lent, which begins on Ash Wednesday, March 6th this year.

The traditions of Ash Wednesday and Lent help us remember that before there is any resurrection, there must first be a death. Before a beautiful daffodil flower rises from underneath the ground, it must first be buried down in the dirt. Or in the words found in a gospel text attributed to Jesus, "unless a grain of wheat falls into the earth and dies, it remains just a single grain; but if it dies, it bears much fruit" (John 12:24).

We know that our mortal bodies come from the same chemical elements found in the dirt on earth---oxygen, carbon, nitrogen, etc. Or in the words found in an ancient text of the Bible, "God formed humans from the dust of the ground" (Genesis 2:7).

So, on Ash Wednesday, when I take my fingers to trace a cross on someone's forehead with ashes, I offer a traditional blessing by saying, "Remember that you are dust, and to dust you shall return."

The prayer for Ash Wednesday sounds humbling. Indeed, it is. As it should be. The savage, tortuous crucifixion of Jesus was humbling, to put it mildly. Even the Son of God could not escape the death that awaits us all.

Isn't the 40 days of Lent, therefore, an important period of time outside of the other 325 days in the year to reflect humbly on the mortality of life?

This time of reflection may prepare us to see more clearly with faith and hope what's on the horizon. As we journey through the 40 days of Lent, we don't lose sight of the resurrection, much like when the sun goes down at dusk and we go to sleep, we look forward to waking up to the sunrise of a new day.

Like every new day, new life is always arising. I was beautifully and intimately reminded of this recently when I held in my arms a newborn baby who was only 5 days old.

I would like to conclude by suggesting that we experience our 40 days of Lent like a caterpillar that spends several days in a cocoon being changed, transformed, to soon emerge as a new butterfly, a vivid reminder of the Easter Resurrection that awaits us all.

Sincerely Yours in Christ,
Pastor James

WOMEN'S FELLOWSHIP MINUTES FEBRUARY 13, 2019

Our Valentine Celebration began by bagging treats of cookies and candies to deliver to church members at the Good Samaritan Residence.

Jamie Freels began the day with a prayer and introduction of a guest, Mary Ann Coffman. We had one item of business to decide on - Women's Fellowship serving communion. The group decided on Sunday, April 7th. The following ladies will serve: Nancy Joseph, Sue Ginter, Joyce Vannocker, Jamie Freels, Carol Danielson, Judy Koskinen and two subs Nancy Burleson and Lilly Janecek.

The ladies delivered 27 treat bags and visited with residents to celebrate Valentine's Day. Several ladies including 3 from Good Samaritans joined in for a wonderful lunch at Beef & Barrel.

The next meeting will be held on March 13th. Details will be in the Messenger.

Church Library

The library committee needs some help! Due to your many generous contributions, our shelves are getting full. We are looking for a standard height BOOK CASE similar in size to the existing shelves (not metal utility shelves). If you happen to have one you would like to donate, we would appreciate it immensely!

In addition, we are in need of BOOK ENDS. They do not need to be fancy or decorative, though it is fine if they are.

Due to a generous donation of some very old, historical books, we also need some sort of GLASS DISPLAY CASE. The books we would like to display need to be protected from the open air and being touched and handled, but the display cabinet they will be housed in does not necessarily need a lock. This cabinet would be located somewhere in a public area of the church, perhaps near one of the entries or sanctuary entrance. We have no dimension requirements. If you have a glass case you think would suit these purposes, perhaps it can find a new home in our church.

Lastly, we need at least one computer literate VOLUNTEER to help us process many donations. The computer program is in place. We simply need someone to add books to the system in order to make them available for checking out. This must be done during hours the church is already unlocked (generally morning) unless the volunteer has a key and security code.

Whew! That is a lot of needs! Please contact ANGIE OWEN if you can help us in any way. 931-637-0177 home, 615-790-5055 work. angiebear65@att.net.

Are you an Ordained Presbyterian Elder?
If so, please contact the Office so that we
may update our records. Thank you!

USHERS

We need Usher Captains for each month of 2019. There are sign-up sheets on the bulletin board. Any questions, please call Kathryn Rydz. Thank you.

KEY BOX CODE UPDATE

If you have requested the new code for the Key Box, you may pick up a card with the code and instructions in the church office during office hours. The code changed on March 1st.

HELPING EACH OTHER

Thank you all for your Food City card purchases! The cards are so convenient and easy to use AND our church earns 5% from every card sold.

Did you know you can also purchase a \$50 card and donate it back to the church to help someone in need? At Pastor's discretion, the card can be given anonymously to help a fellow church member purchase food, drugs or gas. This is a generous gesture that benefits our own members.

What a great way to lend a helping hand and a wonderful resource for those who are struggling in time of need. Consider buying an extra card when you buy your own.

Your sharing and thoughtfulness will be appreciated.

MORGAN SCOTT needs for March:

Soup, Instant Potatoes, Canned Vegetables, Toilet Tissue

Faith Development

We will have a Faith Development group for Lent (six weeks) based on the book entitled "Forgiveness: A Lenten Study", by Marjorie Thompson. The book includes a study guide.

Forgiving others and humbly asking for forgiveness are central disciplines for all of us. "There is not future without forgiveness." (Desmond Tutu)

The FD for Lent will begin March 6 (Ash Wednesday) and March 10 (Sunday), ending on April 10 (Wednesday) and April 14 (Palm Sunday). Wednesday groups meet at 6:30 p.m. and Sunday groups at 8:30 a.m. Meetings are either in the Library or Fellowship Hall, depending on the size of the group.

****Since March 6 is Ash Wednesday, we will begin the session with a Devotional which will include the blessing of ashes on the forehead for those who would like. *There will not be a separate Ash Wednesday service.*****

The book is available at Amazon for \$11.89 (paperback) and \$8.00 (Kindle). Used books are also available. You can order this book on your own. If you need church office assistance in ordering, please contact Pat or Laurie.

How Do You Do.....

We are Steve and Tove (pronounced TOHvah) Thomas. We moved to the Glade in December 2010 and joined Community Church in January 2011. Steve was born in Tucson, AZ, grew up in Yorkville, IL, and moved to Bloomington-Normal, IL to attend college and live until retirement. Steve was employed for 25 years as a firefighter, EMT and rescue worker by the Town of Normal. While working for the Normal F.D., Steve served as Treasurer, and then as President, for his local of the International Association of Firefighters. Tove on the other hand was born in Chicago, IL and spent her early life growing up in its suburbs. After high school, Tove moved to Bloomington to attend college and subsequently became a teacher in IL - 10 years as vocal music teacher and 18 at 4th grade.

They met in 1997 in Normal. Steve and the firefighters were involved in a softball game and Tove and the teachers were taking Line Dancing lessons. After the activities concluded, both groups shared a picnic table and they met through mutual friends. One thing lead to another and after several years, at the stroke of midnight of the New Millennium, Steve took a knee and proposed to Tove. That event was deemed the most romantic “happening” of the year by Chicago celeb Harry Caray. They were married in the summer of 2000. Together they have a blended family of four children (three boys and one girl), and four grandchildren (two boys and two girls).

Since moving to the Glade and joining Community Church, no grass has grown under their feet. Tove has been involved in the hand bell choirs in both Community Church and Cumberland County, served as chair of the Worship and Music Committee, is on the Personnel Committee and has served on the Memorial Concert Committee, as well as a Liturgist. Steve has served as a Board member twice, and is presently on the Property & Facilities committee and Treasurer of the Columbarium. On P&F he deals with church insurance and had an active role in the Fellowship Hall restoration. He has served on the Strategic Planning Committee and most recently the Pastor Search Committee. They both act as ushers, greeters and communion servers. In their “free time” Steve enjoys golf and fishing, while Tove is into hiking and running. Tove has volunteered in the Kappa Delta Sorority since 1970. She was recently elected to serve as the National Vice President of Alumnae. This is the one of six elected positions on the national board. Congratulations!

Tove’s happiest moments at Community Church include being Liturgist during the transition time when she got to work with many different ministers. In addition, serving on W & M and playing in the hand bell choir have given her much joy. Steve’s moment was the search committee’s choosing of a settled Pastor and the acceptance by James and Lilly.

Advice to newbies was agreed by both: “Don’t sit on your talents and remember the Indians are as important as the Chiefs.” Steve and Tove have many more years to relax on their brand new patio overlooking Lake Canterbury. Enjoy!

**Daylight Savings Time
begins March 10th!**

Church Finances

The summary of the current income and expense activity for the period of January 2019 is as follows:

	General Fund ¹	Missions Fund ²	Property Improvement Fund (PIF) ³	Pass-Thru Fund ⁴	Strategic Planning Projects ⁵
Income	\$23,381.47	\$243.00	\$159.99	\$228.00	\$0.00
Expenses	\$22,945.15	\$0.00	\$159.99	\$0.00	\$19,914.50
Transfers ⁶	-\$19,589.50	\$0.00	\$0.00	\$0.00	\$19,589.50
Difference ⁷	-\$19,007.18	\$243.00	\$0.00	\$228.00	-\$325.00

The numbers above only reflect what has been brought in and spent in January 2019. Please refer to the Balance Sheet posted in the Fellowship Hall to see the Total Church Assets.

PLEASE READ THE NOTES TO FULLY UNDERSTAND THE NUMBERS ABOVE!

1. **General Fund** is the operating funds to run the Church. The General Fund Income consists of General Contributions, Income that has been designated for building use, and contributions to the Endowment Fund. Expenses include Pastoral and Support Staff salaries; administrative costs for supplies; utilities, building and grounds maintenance; and church committees expenditures. The Difference shown in the General Fund is due to the transfer of money from the General Fund to the Strategic Planning Projects that were approved in the 2019 budget. The funds utilized to cover the transfer came from assets that have accumulated over the past few years. The negative number only reflects the transfer itself. The Church is not in a negative cash flow position.
2. **Missions Fund** income is from designated contributions from Church members, the sale of Food City Cash Cards, Kroger charity program contributions, and Dimes for Missions. Expenses are disbursements to charities and bank charges for counting coins. The transfer amount is the money moved from the General Fund to Missions as part of the budgeted Church support to Missions.
3. **Property Improvement Fund (PIF)** income is from designated donations from church members. PIF expenses are any property and facility expenses not covered by day-to-day maintenance activity.
4. **Pass-Thru Fund** is to account for money that comes through the Church but is not used to cover Church expenses. It is primarily for items such as special disaster collections, NIN/Peacekeeping, One Great Hour of Sharing, Christmas Joy, Men's Fellowship, Women's Fellowship, etc.
5. **Strategic Planning Projects.** The Church Sanctuary Carpet and Chancel Upgrade project is complete. The second payment per the agreed to contract has been made. The Church withheld \$5,000.00 as final payment while some minor installation issues are addressed. Final payment will be made in February.
6. **Transfer** is the term used to move money from one fund to another fund. Transfers are generally from the General Fund to the Missions Fund, the Property Improvement Fund, and Strategic Planning Projects. For instance, money is transferred from the General Fund to the Missions Fund on a quarterly basis to meet the congregation approved budget for Missions.
7. **Difference** = Income – Expense + Transfers

A complete picture of all the assets of the Church (Balance Sheet), 2019 Income and Expenses, and 2019 Budget Status are posted on the Church Events Bulletin Board in the Fellowship Hall.

6. **Pastor's Report:** None
7. **Old Business:**
 - a. Jim will email a draft of the ERT's (Emergency Response Team) ERP (Emergency Response Plan) to the Board members to review and approve the basic concept of this plan to allow the ERT to proceed.
 - b. Final report on the Re-carpeting/Reupholstering Project, Stained Glass Project, and Narthex Furniture Project. The Re-carpeting/Re-upholstering project has now been completed, Tim Hammond came back to finish some punch list items and the final payment has been made. Both the Narthex Furniture Project and Stained Glass Windows Project have been completed as well.
 - c. Review and act on request from Jerry Allard for Board members to serve Communion. Jerry Allard has requested the Board serve Communion both March and September. Jim will communicate the list of Board Members that will be serving this March to both Jerry Allard and Pat/Laurie.
 - d. Discuss Columbarium Trust Letter versus S.O.P. and update Board on Columbarium Trust sign project. Jim updated the Board, as the Columbarium is not a "committee" under the Board but a stand-alone entity, do not have an SOP. For the benefit of future members, there will be a Columbarium Trust Letter in Committee section of Board manual that more clearly defines this relationship. Jim will have the Office place a copy of this letter in the Members mail boxes to be placed in their respective Blue Books.
 - e. For the records, since the last Board meeting, Jim Hansen polled Board members via email for the following: whether anyone had issues if the contractor did not put up the complete privacy rail in front of the choir loft. The contractor is proposing a modified railing that would only extend from the left staircase to approximately the middle of the piano and the other side would only extend from the right staircase to approximately the middle of the organ. These rails would be installed permanently (not removable for concerts). And the contractor would modify his contract to reflect this change. Jim received 9 responses and all stated they didn't care one way or the other. The change to this railing has been completed.

8. New Business

The bid is \$5548.00 for 200 chairs plus \$50 for delivery. We have \$6000.00 budgeted. The Board members want to have an opportunity to look at chair/samples. Deferred action till March/April Board meeting.
