**UNITED STATES AIR FORCE
134TH AIR REFUELING WING
TENNESSEE AIR NATIONAL GUARD
KNOXVILLE, TENNESSEE**

Women's Fellowship will be sending our annual Christmas Care Packages this year to support the Tennessee Air National Guard Wing activated to the USAF. This Wing has a history in Knoxville dating back to 1942. Over these many years, the 134th has been deployed where needed around the world. Some of their recent deployments have been in support of Operation Desert Shield, Enduring Freedom, Iraqi Freedom, and in other middle east locations. Airmen from the 134th are currently serving in Afghanistan, Qatar, Guam, Africa, and Syria.

Your donations of food and other items will be greatly appreciated. They can be placed in the large boxes in the hall near the **Stained Glass Room** (while the Fellowship Hall and Fireside Room are re-carpeted). Monetary donations to offset costs are welcome, too! We will be assembling the Christmas care packages at Women's Fellowship on **Wednesday, November 9, at 9:30 a.m.** Everyone is invited to join in the fun!

Gift items suggested by the 134th Executive Staff Officer are –

Hard containers of chips, pretzels, and nuts (spicy flavors are popular)	Gift cards – iTunes, Amazon, restaurants and entertainment (for home)
Crunchy and chewy candies and gum	Toothbrushes, toothpaste, dental floss
Jerky	Individual, small packages of tissue
Toiletries	Comic books, crossword puzzle books
Cotton Swabs	100% cotton sox (must be 100% cotton)
Shampoo	Warm neck scarves (cotton preferred)
Shaving lotion and disposable razors	

MILITARY MERRY CHRISTMAS – 2016

What a send-off! When Marty and Patty Smith delivered the Military Christmas Care packages to the 134th Air National Guard in Knoxville, they were greeted by Wing Commander Col Cauthen and Vice Commander Col Hartley. Both expressed deep appreciation for what FFG Community Church is doing to support their men and women. Col Hartley, a pilot, told them how welcome and meaningful mail or packages are to deployed soldiers, especially during the Christmas holiday season.

Staff Sgt Knight and Maj McKeen helped unload and take the packages into their conference room. They were amazed at the number of packages and complimented the pretty wrapping. One package had to be left open for inspection, and they gushed over the contents. There may be a package of Twizzlers missing from that box before it ships out! All of the packages were transported on planes from the 134th and in the air within a week!

Special thanks to Louise Wirbel for selecting and assembling Christmas cards, Janiece Pino and Vicky Wong for all their work organizing and gift wrapping, the Women's Fellowship for sponsoring this annual project, all of the ladies who packed and wrapped the contents, the local MOAA for their contribution, and every man and woman in this Church who made the event possible with their generosity, gifts, donations, and prayers.
