

The Messenger

Fairfield Glade Community Church

Dear Friends in Christ,

My maternal grandmother died when I was a teenager. I was assured and comforted by my family that she was now “looking down on us from heaven.”

But this caused a little bit of a problem for me. When as a teenager I did something that I knew was wrong, and did so secretly when nobody was around to witness my misbehavior, I would later think that even though I might have gotten away with it, I suspected my grandma had seen me and was disappointed in me, probably shaking her head (looking down on me from heaven). I would then say in my mind, “sorry grandma, I’ll try to be better in the future.” As you might imagine, I don’t always fulfill that promise to my grandma.

The reality is that no one this side of death really knows what happens exactly with our deceased loved ones. We are told they are in heaven, they are in a better place, but we don’t know firsthand. Even those who have near-death experiences can’t give us the full picture because they didn’t go all the way to the other side, shall we say.

We obviously read some clues in the Bible about the resurrection and afterlife which give us some possible insight. One of my favorite images of afterlife found in the Bible is the famous and often quoted verse from the book

of Revelation, 21:4. “God will wipe every tear from their eyes. Death will be no more; mourning and crying and pain will be no more.”

That vision of heaven is what I have faith and hope that my grandmother is now experiencing. But what about those of us who are still here on earth? Does this mean I shouldn’t mourn and cry and feel pain at the death of a loved one?

I have seen in the past many Christians tell a fellow Christian that because we believe in the resurrection, they shouldn’t grieve the death of a loved one. But does a belief in a future resurrection negate the need to grieve the death of a loved one?

In Paul’s First Letter to the Thessalonians, he is writing to a Christian community that is trying to cope with the death of loved ones and the questions that come with it.

Written in the 50’s, just 20 years after the death, resurrection, and departure of Jesus Christ, the members of the church in Thessaloniki thought that Jesus would return for the second coming during their lifetime. Yet, some members of the church in Thessaloniki had already died. The church members had a lot of questions for Paul.

One question was about grieving. Paul tells them in his email, I mean letter, “we do not want you to be uninformed, brothers and sisters, about those who have died, so that you may not grieve as others do who have no hope.”

Historically, many pastors have taught that Paul is saying that Christians should not grieve at the death of a loved one. But is that really what he is trying to say?

(Continued on page 2)

(Continued from page 1—Pastor)

My experience of coping with the death of a loved one tells me that hope in the resurrection doesn't eliminate our grief, but instead informs and affects our way of grieving. Grief and hope in the resurrection are not mutually exclusive this side of death. They go together in helping us cope with the loss of a loved one. This is why Paul tells the church in Thessaloniki to "encourage one another with these words" (1 Thessalonians 4:18).

While at times my heart still aches at the memories of my grandma, I still feel her love "looking down on me from heaven." I just

hope Jesus tells her to go light on me when she sees me messing up.

As we look forward to celebrating Easter Sunday in a few weeks, let us encourage one another to grieve the loss of our loved ones in a way that celebrates the hope of a resurrection and a heaven where "mourning and crying and pain will be no more;" just lots of laughter, fun and peace. At least that's what I'm hoping for!

Sincerely Yours in Christ,
Pastor James

SPECIAL OPS APPRECIATION

After the end of the Christmas Eve service, John and I were clearing up from communion, and we were preparing the altar for the next Sunday service. It was late in the evening, dark, the doors were locked, and all the lights were off except for the lights over the altar.

We heard noises. Someone was pounding on the side door. John and I went to the door and greeted two gentlemen. The youngest one, Doug, explained that he was in Special Operations, and his unit received Christmas Care packages from our Church. The older gentleman, his father Tom Friedlund, lives in the Glade next door to Gladys Zaenger (as you may have read in the last *Messenger*). Doug was anxious to show his appreciation and express how thankful his fellow soldiers are for all that was done for them. The care packages were very popular! He wanted to meet Pastor James, but unfortunately the connection couldn't be made during Doug's short two-day leave.

Tears were shed (mostly by me), lots of hugs were given, and John and I experienced a deep Christmas joy from this visit that we wanted to share with all of you!

We recently received a package from Capt Alyssa Heimerman, Maintenance Officer-in-Charge, who is currently deployed to Iraq. Included in the package was an American flag, a U.S. Air Force certificate of appreciation, a squadron patch, and a thank you card.

"From the men and women of the 20th Expeditionary Special Operations Squadron Aircraft Maintenance Unit, thank you for the variety of care packages and gift cards. Your thoughtfulness made a positive impact on our holidays and deployment. Please accept this flag flown in your honor as a token of our gratitude."

These items were displayed in Fellowship Hall for a short time and will be framed for safekeeping. Please look for them in future months.

Jan. 17, 1932 - March 18, 2019

We are the Flynn's – Dennis and Karen. We moved to the Glade in December of 2014 and joined Community Church the summer of 2015. Dennis is originally from Lamar, Colorado; while Karen grew up in Junction City, Kansas. Dennis is a graduate of Wichita State University with a BA degree in Marketing. Karen is a graduate of Memphis State University with a BS in Elementary Education. We met while Dennis was in school in Wichita and were married in August of 1970. We have two children, our daughter Michele and her family live in Tellico Plains, TN and our son, Eric and his family live in Salt Lake City, UT. Our son has one daughter, Gwen who is in 6th grade; and our daughter has three children – a son, Ty who is a junior in high school, a daughter Kori who is a freshman in high school, and a son Klay who is in 6th grade.

Dennis' dad and uncle were co-owners of a grocery store in Lamar, CO where Dennis' interest in the grocery wholesale/retail business began. His expertise was in the fresh produce arena. Upon graduation from college, Dennis was offered a position with Fleming Foods, Inc., in Topeka, KS and later a promotion move to the Kansas City division of Fleming Foods. In 1978 an offer was made to move to Memphis, TN with the grocery wholesale company of Malone and Hyde. In 1988 the company of Malone and Hyde was bought by Fleming Foods, Inc, and Dennis was offered a position at the corporate offices in Oklahoma City OK. With both children in college and deciding to remain in Tennessee, Dennis and Karen moved to Oklahoma City and remained there until 2001 when Dennis retired from Fleming Foods. He was offered a position with a company based in Overland Park, KS. Karen retired from teaching upon moving to the Glade in 2014, but Dennis continued to work until he finally retired from the food wholesale business for good in 2017.

Karen is an avid reader, enjoys quilting, sewing, baking, playing cards, and volunteering at Habitat for Humanity answering the phones and whatever needs doing. She is on the Fellowship and Mission committees at Community Church. Dennis enjoys playing golf (when he has a good game), hiking, walking, biking and gardening. He also has an interest in history – especially the events of the Civil War and WWII. He heads up the Men's Fellowship group, is chairman of the Finance Committee, and is on the Board. Both are active in the church as volunteer ushers, greeters, communion servers, and wherever there is a need.

### **Women's Fellowship Minutes March 13, 2019**

A dozen of the ladies traveled to Oak Ridge to tour the American Museum of Science and Energy. We enjoyed a guided tour of the museum and were then escorted by our tour guide to The Soup Kitchen for lunch.

There was no business conducted. We had a good time visiting and getting to know each other better. It was nice to have 3 of our newest members Debbie Roberts, Sheri Nichols and Stephanie King join us.

The next meeting will be held on April 10<sup>th</sup>. Details will be posted in the messenger.

### **Fellowship Luncheon April 14th**

Fellowship Luncheon after church on Palm Sunday features ham with scalloped potatoes, corn, salad and rolls, with peach cobbler for dessert. The donation is \$10.00 per person. Everyone is invited to attend. **We will be taking reservations on March 24th thru April 7th.**

## Christian Response Driver Protocol

We are a caring church community at Fairfield Glade Community Church. We want to provide a driver service which meets the requests from our members who are unable to drive anymore or have other issues which prevent them from driving.

Some Medicare Supplement plans offer drivers for medical appointments as a benefit. Call the Customer Service number on your insurance card or reread the Benefits section of your policy.

We would encourage members to use services such as FFG Residence Services, and other driver services which are available in the area, but we are here to also help in your driving needs. The following protocols outline our driving services.

1. Rides will be available for members and regular attendees of our church.
2. Rides will be provided for all church related activities – Church services, church dinners, memorial services, concerts at the church, men's and women's fellowship, and other activities.
3. Rides will be provided to local/Crossville medical appointments/supermarket visits/etc if other arrangements are not available.
4. For medical appointments/airport rides to Knoxville, Cookeville, Nashville, rides will be arranged if other services are not available. A minimum fee of \$30.00 is asked for the driver, but maybe waived by the driver.
5. Lead time is important for scheduling and arranging a driver. If at all possible we would request a week notice. Shorter time frames will be worked on a case by case basis.
6. Rides will be provided by the Men's Fellowship and coordinated by Dennis Flynn.
7. Company names and phone numbers for services outside of the church will be available at the church office.

## Spreading the “Seeds” of Christ’s Love April 10, 2019

The Women's Fellowship is excited to return to Deer Lodge Tennessee this year to the Morgan Scott Project for Cooperative Christian Concerns. This has been a worthwhile and fun annual trip. The Morgan Scott project provides seed packets to those folks in their community who have a need to cultivate their own gardens as a supplement to their food source. We assist them by sorting, counting and assembling these seed packets. It is an enjoyable way to immerse ourselves in the experience of Spring as we journey to a beautiful but less advantaged area of Tennessee.

This year we will be doing this on **April 10<sup>th</sup>**. **We will gather at the church at 9:00 am** to form carpools. Please bring a sack lunch as there is no place to eat near the Morgan Scott project.

The drive up there takes about an hour. We will work sorting and counting seeds, have lunch and tour the project to learn about their varied activities in the area, including their thrift shop. We should return to Fairfield Glade early to mid-afternoon.

You do not have to be actively involved in Women's Fellowship to join us. **ALL MEMBERS AND REGULAR ATTENDERS OF THE CHURCH ARE INVITED.**

A sign up sheet is available on the Women's Fellowship bulletin board. Join us to spread the seeds of Christ's love for all.

### **Coming Community Enrichment Series Concert**

On **Sunday, April 14** there will be a joint concert by the Plateau Women's Chorus and the Plateau Ringers **at 3pm** in the church sanctuary. Dana Beal is the founder and director of the Women's chorus, and Nancy Burleson is the founder of the Plateau Ringers, which is a community ensemble directed by Marty Gibson. The concert will include a range of music genres, and a children's choir will also be included in the performance.

A free will offering will be taken to cover expenses of the two ensembles, and a portion of the offering will be donated to the Bread of Life Mission in Crossville. We encourage you to reserve this date on your calendar and come to support these deserving ensembles.

### **FAIRFIELD GLADE HOSPICE AUXILIARY** **2019 BUTTERFLY RELEASE**

The Fairfield Glade Hospice Auxiliary will present our 9<sup>th</sup> Annual Hospice Benefit Celebration of Life Butterfly Release on Saturday, June 8, 2019, on the Courthouse Lawn in Crossville from 9:00-10:00 AM. The program will be an uplifting and joyful experience remembering those we have loved and lost, including a reading of names we are celebrating, a butterfly blessing, special music, commemorative readings, and the release of the butterflies to mingle with the crowd and the flowering plants.

The donation for the butterflies is \$20 for one name to be remembered or \$100 for six different names to be remembered. We encourage you to attend our event, bring a lawn chair and wear brightly colored clothing. Those unable to attend may still reserve butterflies in the name of a family member or friend and these will also be released. Butterfly order forms are available on the bulletin board in the Fellowship Hall, or one can be e-mailed to you from **Kay Moyer at [kdm161@gmail.com](mailto:kdm161@gmail.com)**. **The deadline for ordering butterflies is May 24, 2019.**

ATTENTION: CONGREGATION

SAVE THE DATE: SUNDAY, APRIL 28, 2019, COME TO  
THE CHURCH COMMITTEE FAIR  
RIGHT AFTER CHURCH SERVICE IN FELLOWSHIP HALL

Most of our wonderful Church Committees that are responsible for our uplifting Church Life will be showcasing their activities and responsibilities. They will be inviting those willing and able to check out participation opportunities and hopefully sign up to help make our Church an even better experience for all. Each Committee will have an individual table providing information about their activities and responsibilities.

COME AND LEARN!!

**\*YOU MAKE A DIFFERENCE IN MISSIONS\***

Last year the Mission Committee distributed \$18,525. \$1400 was a line item in the annual church budget BUT \$4525 was non-budgeted money, almost 1/3 above our planned giving. The non-budgeted money included the Sunday dimes program, Kroger Rewards and 5% from Food City card sales.

So... keep giving your change on Sundays and using the grocery cards.  
Your small actions make a **BIG** difference.

*Thank you from the Missions Committee*

The numbers above only reflect what has been brought in and spent in February 2019. Please refer to the Balance Sheet posted in the Fellowship Hall to see the Total Church Assets.

### **PLEASE READ THE NOTES TO FULLY UNDERSTAND THE NUMBERS ABOVE!**

1. **General Fund** is the operating funds to run the Church. The General Fund Income consists of General Contributions, Income that has been designated for building use, and contributions to the Endowment Fund. Expenses include Pastoral and Support Staff salaries; administrative costs for supplies; utilities, building and grounds maintenance; and church committees expenditures. The Difference shown in the General Fund is due to the transfer of money from the General Fund to the Strategic Planning Projects that were approved in the 2019 budget. The funds utilized to cover the transfer came from assets that have accumulated over the past few years. The negative number only reflects the transfer itself. The Church is not in a negative cash flow position.
2. **Missions Fund** income is from designated contributions from Church members, the sale of Food City Cash Cards, Kroger charity program contributions, and Dimes for Missions. Expenses are disbursements to charities and bank charges for counting coins. The transfer amount is the money moved from the General Fund to Missions as part of the budgeted Church support to Missions.
3. **Property Improvement Fund (PIF)** income is from designated donations from church members. PIF expenses are any property and facility expenses not covered by day-to-day maintenance activity.
4. **Pass-Thru Fund** is to account for money that comes through the Church but is not used to cover Church expenses. It is primarily for items such as special disaster collections, NIN/Peacekeeping, One Great Hour of Sharing, Christmas Joy, Men's Fellowship, Women's Fellowship, etc.
5. **Strategic Planning Projects.** A final payment of \$5,000.00 for the Church Sanctuary Carpet and Chancel Upgrade project was made to the installation contractor. The project is now complete.
6. **Transfer** is the term used to move money from one fund to another. Transfers are generally from the General Fund to the Missions Fund, the Property Improvement Fund, and Strategic Planning Projects. For instance, money is transferred from the General Fund to the Missions Fund on a quarterly basis to meet the congregation approved budget for Missions.
7. **Difference** = Income – Expense + Transfers

A complete picture of all the assets of the Church (Balance Sheet), 2019 Income and Expenses, and 2019 Budget Status are posted on the Church Events Bulletin Board in the Fellowship Hall.
