

The Messenger

Fairfield Glade Community Church

Dear Friends in Christ,

"Are there any of you who are wise and **understanding**? You are to prove it by your good life, by your good deeds performed with humility and wisdom. But if in your heart you are jealous, bitter, and selfish, don't sin against the truth by boasting of your wisdom. Such wisdom does not come down from heaven; it belongs to the world, it is unspiritual and demonic. Where there is jealousy and selfishness, there is also disorder and every kind of evil. But the wisdom from above is pure first of all; it is also peaceful, gentle, and friendly; it is full of compassion and produces a harvest of good deeds; it is free from prejudice and hypocrisy. And goodness is the harvest that is produced from the seeds the peacemakers plant in peace."

The above quote is from the Bible, in the Letter of James, chapter 3, verses 13-18. You'll notice that I highlighted the word "understanding."

Understanding, or not understanding, often makes a huge difference in our individual daily lives and on a global scale.

The understanding we now have of the human physical body is astounding, especially when compared to 2,000 years ago during the time of Jesus walking on the Earth.

I often hear of medical procedures that members of our congregation are undergoing that are mindboggling at the depth of

understanding about blood, bones, organs, and other material inside of us.

Yet with all our profound understanding, which continues to advance in many aspects of life, we often still experience a lack of understanding, a mis-understanding, neglect understanding, or refuse understanding. These lead to many problems, some of which are minor, and some of which are catastrophic.

How many marital relationships fell apart in large part from problems with understanding each other? How many work environments became toxic and dysfunctional due to an underlying issue with understanding one another? How many wars were started because of how groups of people had an understanding of each other that was not the kind of wise understanding "from above" that is "peaceful, friendly and gentle?"

Understanding another person can often be complicated. We are not carbon copies. Each person has individual beliefs, experiences and backgrounds, making it difficult to fully understand.

The reality is that I can't fully understand someone. I can't fully understand my wife, my parents, our kids, and others I know extremely well. I can't even fully understand myself.

But that shouldn't stop us from putting in the time and effort that is needed for understanding. Thank goodness medical professionals continue trying to gain more understanding of how they can diagnose and treat the diseases and illnesses that still cause serious problems, such as cancer and Parkinson's, just to name two.

How motivated are we in understanding another human being? How motivated are we in understanding ourselves?

(Continued on page 2)

As Christians, as members of Community Church, we turn to the Spirit of Jesus Christ for understanding other human beings, and ourselves, all of whom are made in the image and likeness of God.

“And we know that the Son of God has come and has given us understanding so that we may know him who is true; and we are in him who is true, in his Son Jesus Christ. He is the true God and eternal life” (1 John 5:20).

Our Faith Development group discussions are an opportunity for understanding “in him who is true,” for we are the Body of Christ, Community Church.

In our church’s Faith Development gatherings, we share not just knowledge about a subject matter, but our own personal experiences and backgrounds. We have a diversity in our congregation, a richness of wisdom. My hope and prayer is that we come to better understand others, and better understand ourselves, with an understanding that “is full of compassion and produces a harvest of good deeds; free from prejudice and hypocrisy. Goodness is the harvest that is produced from the seeds the peacemakers plant in peace.”

Sincerely Yours in Christ,
Pastor James

How Do You Do.....

Here are the Buell's, Byron and Barbara. They arrived in the Glade in February 2005 and became members of Community Church in the fall of that year. Arriving from Rochester, N.Y. where they were members of a Presbyterian Church for many years. Barbara was born in Syracuse, N.Y. and Byron in Detroit, MI. He later moved to Upstate New York. They both went to the same high school, Barbara being ahead of him. They did not date, but got to know each other at church. Byron won a Navy scholarship to Rensselaer Polytechnic Institute where he studied Mechanical Engineering. During a midshipman cruise he sent her an embroidered post card from Spain. That was the start of the romance which soon lead to their marriage. When Byron went to his executive officer to ask for leave to get married, he was told he was needed for the first inland waterways cruise of the Great Lakes by the Navy. Upon returning to home port in Newport, R. I. he was expecting a 10 day leave. Again it was denied because he had to attend damage control school in Philadelphia. He told Barbara he would meet her over a weekend so they could be married. It happened on Halloween, 59 years ago. They were blessed with a baby girl. She was born in the Newport Naval Hospital while Byron was on a six month deployment in the Mediterranean. She later became a school teacher in Cincinnati and is in her 36th year of teaching junior/senior high school special education.

Following active duty in the Navy, the Buell's moved to Rochester, N.Y. where Byron went to work for Kodak as a manufacturing engineer. He joined a Naval Reserve Unit supporting the Office of Naval Research and Naval Research Laboratory; he retired as a captain in 1984. He attended night school and received a MBA from the *Rochester Institute of Technology*. They had a two year assignment in Laredo, TX where Byron managed the assembly of Kodak cameras. After 30 years Byron retired from Kodak; he knew he couldn't just sit. He sold himself to a small molding firm where they specialized in precision plastic parts. In 2004 the Buell's took a trip to the Glade with some close friends who had just purchased a home. They were advised to "bring a checkbook" and in three days they bought a house.

Remaining active over time, they have ushered, greeted, etc. in church. Byron has been active in Men's Fellowship as well as community activities in the Peavine Care Center where Byron worked with the original founders, Lions Club, Habitat for Humanity for 15 years, and Cumberland County Playhouse. Byron's main activity in the Lions is coordinator of visual screening in the Cumberland County schools. Byron's hobbies include photography (no surprise after 30 years in Kodak), biking and hiking. He also has an extensive collection of antique photographic equipment, many pieces from Barbara and daughter.

His pearls of wisdom are many and wise. For new members, "there is lots of stuff to do, no reason not to be active"; if possible, look for ways to volunteer; meet and greet the neighbors, don't close the door; look for ways to do what you like to do, don't just sit back because you are retired. Byron had cards made when he retired, they said "I am renewed"; if you don't have a reason for being, you will fade away. All good advice for all....!

Your ERT committee suggests that if you wish CPR/AED training that you contact DAN LINSKENS, FFG Safety Director, to enroll in one of his free classes. His email is dlinkens@fairfieldglade.cc.

All classes are free of charge. Class size is limited to 10 people. Both beginner and recert classes are offered.

FLAG DAY CELEBRATION
FRIDAY JUNE 14, 2019 – 3:00 PM

Page 6

**GRAND OLD FLAG DAY CELEBRATION WITH
AN ICE CREAM SOCIAL**

Fairfield Glade Community Church, 521 Snead Drive, Fairfield Glade would like to invite the citizens of the community, and especially the veterans, to a special Flag Day Celebration on June 14th at 3 PM.

June 14th of every year was approved by Congress in 1949 to be the national observance of National Flag Day. This day every year is a celebration to respect and understand the true meaning and history of our country's National Flag.

Community Church has a 50 plus veterans flag presentation which is most impressive. Veterans' flags given to the church from families of deceased Veterans from our church are flown on special national holidays.

Come celebrate this special day beginning at 3 PM on Friday June 14th. A wonderful brass quintet will be playing patriotic music beginning 20 minutes prior to the program at 3 PM while the attendees are arriving. The celebration of this special day includes a veterans presentation of "What Does the Flag Mean to Me". There will be a presentation of the "Folds of the Flag" which includes the patriotic meaning of each fold. There will be a special recognition of the Fairfield Glade Community Church Veteran Flag Program and recognition of the story of a 45 star flag. We will have a collection area for old retired flags. These flags will be given to the Boy Scouts of America for proper disposal.

There will be an ice cream social immediately following the ceremony for everyone's enjoyment. Those in attendance will be invited to lower and store the veterans' flags. We invite all of the community to come and enjoy a great June Friday afternoon event to honor the Great Flag of our Country.

In the event of inclement weather, we will hold the ceremony inside the church sanctuary.

Save the Date

Put it on your calendar now. The Women's Fellowship is being treated to an exciting opportunity in July. On July 10th for our regularly scheduled monthly meeting we will be touring the backstage of the Cumberland County Playhouse.

For one time only this year women's fellowship will be scheduled for 11:30 rather than the Wednesday morning schedule to accommodate for this exciting activity.

We will meet at the church at 11:30 to form carpools as the tour is scheduled for noon.

There will be a late lunch at the Vegas Steakhouse to follow the tour for anyone interested. If you would like to attend but do not have transportation to the church, please contact Jamie Freels at 972-978-4737.

Small groups are a way to grow our understanding of our faith and lead more fulfilling lives in spirituality. Fortunately, Fairfield Glade Community Church has an active Small Group Program that anyone can participate in and benefit from.

Currently, we have eight small groups formed and each of the groups range in size from 6 to 10 members. We would like to grow the Small Groups Program with more people who are interested in participating.

Each of the groups sets their own agendas – how often they meet, where they meet, what they discuss, and any other rules they want to apply to their group.

Some groups only meet when every group member can be available; others groups will meet regardless of whether a group member is available. In talking with the groups, regardless of how the groups operate, nearly all group members have benefited from participation.

Ten Reasons Small Groups Make a Difference (stolen from *“How to Lead a Christ-Centered Small Group”* by Doug Britton, MFT)

1. People talk more in small groups.
2. Group members realize that others have similar problems.
3. People use their gifts and talents to minister to one another.
4. Small group members encourage each other in their faith.
5. Small group members encourage each other to grow.
6. Group members hold each other accountable.
7. Members pray for one another.
8. People are more likely to practice what they learn.
9. Group members can help each other in hard times.
10. Friendships start in small groups.

Some level of these ten benefits have been realized in the successful small groups in our church, based on feedback that has been given to the Pastor and the Small Group Coordinator.

This is not to say all groups have been completely successful. Not all groups were able to meet regularly and not all members felt comfortable with the group to which they were assigned. The people in those groups have not given up on the reasons for Small Groups but moved to another group that was more well-matched to them.

Please consider whether you would like to join a small group and contact the Pastor or Small Group Coordinator.

Thank you,
James Janecek, Pastor
Marty Smith, Small Group Coordinator (931-484-6784 or mfsmith683@gmail.com)
